## The Street's Of Pimhole.... A Message from Jimmy

As usual Councillor Trevor Holt and myself had our monthly walk around Pimhole, as we have for many years.

Walk around after walk around, we see the same thing, month-in, month-out....

- Rubbish dumped in back streets
- Blocked Grids (Caused by rubbish, Motor Oil etc)
- Garden Rubbish
- Drivers throwing out rubbish from their cars

So, when it starts raining, what do we get? "It's flooding in such a street!" "What are you going to do?".... The same thing that has always been done.... Report I, get it fixed until the next time... This is one of the reasons our rates go up every year!

Due to a small number of people having no respect and who don't care, we now share our streets with plenty of Rats, this will probably soon lead to disease?

To the people who do this... STOP..... Millions of pounds that have been spent on Pimhole over the last 8 years to make it a nice place to live. The next time you think about dumping your rubbish in our streets, think about your neighbour, who have little children playing, and due to your rubbish gets bitten by a Rat... Who's fault is it?

Our Monthly Residents Meeting is on the first Monday of every Month at the Ukrainian Club in Openshaw Street.

Come and meet your Community, you CAN make a difference

Don't forget our 21<sup>st</sup> Birthday Social on 19 October with Comedy Guitarist Tony Marsh!

## Bury's Notable People By Councillor Trevor Holt

Our town has a great history and has produced many notable people who have made lasting contributions to business, politics, sport, the arts and the world of entertainment. Here are just a few of the people born in Bury who have not only contributed to the success of our town but also our nation.

**John Kay** inventor of the Flying Shuttle one of the key inventions of the Industrial Revolution, who was born at Park, a tiny hamlet just north of Bury in 1704.

**Sir Robert Peel**, 1788-1850, was Prime Minister in the 19<sup>th</sup> century and is probably best known as the creator of the modern police force.

**Barrie Kelly** was a sprinter who competed in the 1968 Summer Olympics in Mexico City and was British Champion several times.

**Richmal Crompton** the author, who is perhaps best known for the "Just William" books, was born on Manchester Road.

**Gary, Phil and Tracey Neville.** Gary and Phil distinguished Premier League footballers and their sister, Tracey, former netball international were all born in Bury.

**Danny Boyle:** Oscar-winning film director of Slumdog Millionaire and creator of the opening ceremony of the 2012 London Olympic Games.

**Cherie Blair:** barrister and wife of former Prime Minister Tony Blair was born at Fairfield Hospital.

**Jennie McAlpine,** actress, best known for her role as Fiz in Coronation Street was born in Bury and is a former pupil of St Gabriel's RC School.

These are just a few examples of the many notable people who began their lives in our town.
